

HISTORY OF THE MASTER APPRENTICE PROGRAM (MAP™)

All who were fortunate to work with J.R. Worsley know it was his wish for the knowledge, philosophy and healing of Classical Five-Element Acupuncture to be passed on to as many people in the world as possible. He thought it a beautiful system of medicine and did his utmost to involve like-minded people. His passion was to assist people to be healthy in body, mind and spirit. It was for this reason he gradually worked through many carefully evolved ideas to reach his aim and ultimately designed the Master Apprentice Program. (MAP™)

To be eligible to participate in MAP one needs to be a graduate of an approved Five-Element School or a Five-Element Post- Graduate program, attended J.R. and /or J.B. Worsley Clinical Days and/or participated in a WI Seminar. If one does not meet these pre-requisites please ask to be considered based on individual circumstances.
